If I take out cover but then change my mind can I get my premium refunded?

If you decide that you do not want to accept the policy (or any future renewal of the policy by us), please return it to us together with the Certificate of Motor Insurance, using the contact details provided on the covering letter, within 14 days of receiving the policy (or for renewals within 14 days of your policy renewal date). We will only charge you on a pro rata basis for the time we have been on cover subject to a minimum premium of £15 (including insurance premium tax). The balance of the premium will be returned to you but there will be no refund where you are cancelling the policy following a claim where the insured car is a total loss and not being replaced.

Can I cancel the policy at any other time?

If you cancel your policy later than 14 days from receiving it we will give you a refund in proportion to the time left until your current period of insurance is due to run out. £50 will be taken off this refund if you cancel your policy within the first year. There will be no refund where you are cancelling the policy at any time following a claim and the insured car is a total loss and not being replaced.

If I take out Breakdown Assistance cover but then change my mind can I get my premium refunded?

If you have purchased additional Zurich breakdown cover and you cancel this cover more than 14 days after receiving the policy, independently to your policy, there will be no refund.

Your motor insurance policy

Terms and conditions

Section A – Relevant to the entire policy

Relevant to the entire policy

This policy is an agreement between **you** and **us** unless stated otherwise in this policy document.

It is only valid if **you** pay the premium. If you pay your premium on an annual basis, to maintain continuous cover by law you must pay your premium to us by the date your policy is due for renewal. If this is not received all cover will cease from the renewal date and you will be unable to keep your vehicle on the road unless alternative arrangements have been made with another insurer. Cover will not be reinstated if payment is made after your renewal date and the policy already cancelled. A new policy will be necessary with cover starting from the date payment is received by us.

Your policy is based on the information **you** gave **us** and confirmed to **us** during the application process or subsequently. **Your** policy provides the cover for the **drivers** and the **insured car** detailed in the **Statement of Facts** and for the sections detailed in the **Statement of Facts** for the period of insurance shown or a subsequent period where **we** have accepted payment. **We** may vary the terms

of the policy and the premium at renewal. **You** must read these terms and conditions together with **your Statement of Facts** and any specifications or endorsements as one single contract to ensure that they provide the cover you asked for.

You must tell **us** immediately if at any time any of the information on which this insurance is based is incorrect or changes, for example you or anyone covered by this policy being convicted of an offence or change of car or occupation. Failure to do so may result in **your** insurance no longer being valid and claims not being met. If in doubt about any change, please let **us** know. The changes, if accepted by **us**, will apply from the date indicated on **your** updated **Statement of Facts**. In this case **we** will be entitled to vary the premium and terms for the rest of the period of insurance.

If **you** change the **insured car**, the **drivers** or how **you** use the **insured car**, **we** may not be liable until we have issued a new **Statement of Facts** and either a cover note or certificate of insurance. If **you** make any changes to **your** car **your** insurance will not be valid until **we** have agreed to accept them.

Place of jurisdiction

English law will apply to uninsured loss recovery and breakdown cover. The rest of **your** policy is governed by the law that applies to where **you** reside within the United Kingdom, the Channel Islands or the Isle of Man. If there is any disagreement about which law applies, English law will apply. Unless agreed otherwise, **we** will communicate to **you** in English.

Geographical limits

Your insured car is covered if used in the European Union countries including the United Kingdom, the Channel Islands, the Isle of Man, Iceland, Norway, Liechtenstein, Switzerland, Croatia, San Marino, Vatican City, the Principality of Monaco and Andorra, as long as **you** visit outside the United Kingdom the Channel Islands or the Isle of Man is not for more than 60 days.

If after 60 days **your insured car** does not return to the United Kingdom, the Channel Islands or the Isle of Man (unless **we** have agreed to extend cover in writing) cover will be limited to the minimum legal requirement to use **your insured car** in that country. The minimum requirements of United Kingdom law will apply if these are higher than those of the country where **you** are using **your insured car**.

Cancellation

You may cancel the policy at any time by telling **us**, either in writing or over the phone, using the contact details set out in **your** covering letter. **We** may cancel the policy by giving **you** seven days notice to **your** last known address. By law, **you** must return the certificate of motor insurance to **us**. If **you** do not return the certificate **we** may seek to recover it through the services of a third party recovery agent.

If **you** cancel **your** policy within 14 days of receiving it (or for renewals, within 14 days of **your** policy renewal date) **we** will charge **you** on a pro rata basis for the time **we** have been on cover subject to a minimum premium of £15 (including insurance premium tax).

If **you** cancel at any other time, **we** will charge **you** on a pro rata basis for the time **we** have been on cover and pay any refund due to **you**. **We** will deduct a £50 cancellation fee from this refund if you cancel your policy within the first year.

There will be no refund where **you** are cancelling the policy at any time following a claim where the **insured car** is a total loss and not being replaced.

If **you** fail to pay **your** premium **we** may cancel **your** policy. This does not affect **our** right to collect any outstanding premium from **you**.

If **you** have purchased additional Zurich breakdown cover and **you** cancel this cover more than 14 days after receiving the policy, independently to **your** policy, there will be no refund.

If you pay by instalments

Zurich Bank is providing finance to **you** under a Consumer Credit Agreement to cover the premium due under **your** policy. Under this arrangement Zurich Bank reserves the right to instruct **us** on **your** behalf to cancel **your** policy in the event that there is default in instalment payments. If Zurich Bank choose to exercise this right or **we** or **you** choose to cancel your policy, **we** will pay any refund to Zurich Bank.

Courtesy car cover

We will provide policy cover in the United Kingdom, the Channel Islands or the Isle of Man for:

For the purposes of this section only the following words are as defined below:

Us, we, our – means DAS Legal Expenses Insurance Company Limited.

You, your – means **you** or any person driving or travelling in **your insured car** with **your** permission.

If **you** have a motor accident that is insured by this policy in the European Union countries including the United Kingdom, the Channel Islands, the Isle of Man, Iceland, Norway, Liechtenstein, Switzerland, Croatia, San Marino, Vatican City, the Principality of Monaco and Andorra, and it is not **your** fault, **we** will help **you** get back **your** uninsured losses and claim resulting damages or compensation (or both) for death or personal injury.

We will pay **your** reasonable legal costs and fees for each accident up to £100,000 (less any legal costs and fees **you** have

already claimed back) if **we** have agreed beforehand to the purpose and amount of these expenses. **You** must claim back all the legal fees and expenses **you** are entitled to. **We** will set these against payments **we** make under this part of the policy.

Before legal proceedings are issued, **we** will appoint a legal representative to act for **you**. If legal proceedings need to be issued, **you** may choose **your** own legal representative if **we** approve them. If **we** cannot agree on a legal representative, **we** will ask the Law Society to choose a legal representative, which **we** must both accept. **We** are entitled to get any information from the legal representative.

It is a condition of this cover that **you** take all reasonable precautions to reduce the amount of legal costs and fees **you** must pay for.

- **you** instruct a legal representative without **our** agreement beforehand;
- **you** report a claim to **us** more than 180 days after the accident;

- they arise in a dispute that **you** have with **us**;
- **you** act against **our** advice or the advice of the legal representative appointed;
- **you** unreasonably withdraw from the legal proceedings, or **your** claim is settled or discontinues without agreement beforehand;
- the legal representative refuses to act for **you**;
- legal costs and fees incurred by **you** against the **driver** or another occupant of **your** car at the time of the accident.

If there is a disagreement between **you** and **us**, **we** and **you** may agree on an arbitrator. If **we** cannot agree, the Law Society will name an arbitrator and their decision will be final.

Section D – Claims handling

Settling claims

In the event of a valid claim, **we** will at **our** option either repair the **insured car** or make a cash settlement, which will not be more than the **insured car's** market value at the time of the loss or damage.

All claims payments in respect of damage to the **insured car** will be made to the legal owner, including when the **insured car** is under any contract or hire purchase agreement.

New car replacement

In the event of a valid claim, **we** will, if everybody involved agrees, replace the **insured car** with a new car of the same model providing:

- it is less than one year old from the date of its first registration as new at the time of the loss
- it would cost more than 60% of the manufacturer's retail price, including taxes, to repair it.

Preferred suppliers

Zurich Connect will normally use a network of preferred suppliers to replace or repair the **insured car** or any part of it. **You** must use a supplier that has been agreed by **us** prior to the **insured car** being repaired, otherwise **we** may not pay.

We will advise **you** of the nearest preferred supplier who will offer **you** a courtesy car whilst **your** car is being repaired. This includes a free collection and delivery service. All courtesy cars are 'Group A' vehicles (e.g. a small hatchback) with a manual gearbox. Available only in the United Kingdom, the Channel Islands or the Isle of Man. The supply of a courtesy car may be subject to terms and conditions of the preferred supplier.

If **your** car is destroyed or stolen and not recovered **you** will not be offered a courtesy car.

Section E – No Claims Discount

For each claim free year **we** will give **you** a discount until **you** reach the maximum level. If **you** do make a claim the number of claim free years on which the discount is based will be as in the table below.

You may choose to take out extra cover to protect a discount **you** have earned after having been claim free for four years or more. This cover will only apply if **you** pay an extra premium and No Claims Discount protection is shown on **your Statement of Facts**.

Section G – Conditions and Exclusions which apply to the whole of your policy

Conditions

The following conditions apply to **your** policy. Failure to comply will result in **your** claim not being covered:

- 1 **You** must do all **you** reasonably can to prevent loss or damage to the **insured car** and maintain it in a roadworthy condition.
- 2 In the event of a claim **you** must do all **you** reasonably can to prevent additional damage or expenses.
- 3 Everyone covered by this policy must follow the policy terms and conditions. All **drivers** must have a valid driving licence and follow the conditions of their licence.
- 4 If, by law, **we** must make a payment that is not covered by the policy, **we** have the right to recover this payment from **you** or the person who is liable.
- 5 **You** must notify **us** immediately of any accidents, claims or legal proceedings in connection with this policy and give **us** all the information and help **we** may need. **You** must send any writ or summons to **us** immediately it is received. **We** will decide how to settle or defend a claim, and may carry out proceedings in the name of any person covered by the policy, including proceedings for recovering any claim.
- 6 If a claim is fraudulent or false in any way, **we** will not make any payment and all cover will end.
- 7 **We** will not make any payment if there is cover under any other policy or insurance pool unless legally required to do so.
- 8 **You** must report any theft, attempted theft or malicious damage to the police immediately.
- 9 If you pay the premium to Zurich Bank using their Direct Debit instalment scheme we will have the right (which we may not use) to renew the policy each year and Zurich Bank will continue to collect premiums using this method. We may vary the terms of the policy (including the premium) at renewal.

If you decide that you do not want us to renew the policy, as long as you tell us before the next renewal date, we will not renew it. If you instruct your bank to cancel the Direct Debit mandate and do not make alternative arrangements to pay the premium prior to the renewal date we will treat this as notice from you that you do not wish to renew your policy. In these circumstances your policy will lapse and you must return the Certificate of Motor Insurance to us within 7 days.

Our right to renew this policy does not affect your cancellation rights shown on page 12 of this policy.

10 If **you** fail to pay **your** premium **we** will refuse **your** claim or take the balance of any outstanding premium due to **us** from any claim payment **we** make to **you**. This may mean that **we** fulfil **our** obligations to any claim against **your** policy by a third party but seek full recovery of any sum made under **your** policy directly from **you**. This may include the instruction of solicitors or other recovery agents.

13 At **our** request **you** have to consent to an inspection of the **insured car**.

14 Following a claim **we** must agree on all steps of the repair process of the **insured car**.

15 If **you** pay **your** premium on an annual basis, to maintain continuous cover by law **you** must pay **your** premium to **us** by the date **your** policy is due for renewal. If this is not received all cover will cease from the renewal date and **you** will be unable to keep **your** vehicle on the road unless alternative arrangements have been made with another insurer. Cover will not be reinstated if payment is made after **your** renewal date and the policy

already cancelled. A new policy will be necessary with cover starting from the date payment is received by **us**.

Exclusions

In the event of a claim the following are not covered:

- 1 claims that result from a driver of the **insured car** who is not declared in the **Statement of Facts**
